CURRICULUM

A Balance of Play and Learning

Our Pelican curriculum fosters curiosity, creativity and resilience in young learners. Designed to inspire a lifelong love of learning, we develop character-building, empowering children to thrive.

NURSERY/RECEPTION (3-4 years)

A holistic approach to learning, developing meaningful connections

In Nursery and Reception, we focus on helping children build strong relationships, embrace new challenges, take on responsibilities, and build independence.

Prime Areas

- Mathematics
- Understanding the World
- Creative Expression (Art & Music)
- Languages (Mandarin and Japanese)

Holistic Education

- Communication and Literacy
- Physical Development
- Personal, Social and Emotional Development

YEAR 1 / YEAR 2 (5-6 years)

Future-focused curriculum

At this stage, children are introduced to more formal elements of learning, building on the skills and knowledge learnt in the Early Years.

Core Subjects

- English
- Mathematics
- Science
- English as an Additional Language (EAL)

Foundation Subjects

- Global Perspectives
- Music, Art & Drama
- Physical Education
- Well-being
- Entrepreneurship
- Languages (Mandarin and Japanese)

LANGUAGES

MULTILINGUAL APPROACH

Children in our Pelican Programme benefit from a multilingual approach, with regular Mandarin lessons supporting children's development in both English and Mandarin.

For Nursery and Reception, all students will study Mandarin five times a week. In Year 1 and 2, Mandarin lessons take place three times a week, with the option to choose between Mandarin or Japanese.

你好
hello!

BILINGUAL PROGRAMME

Starting August 2025, The Perse School (Singapore) will start an Immersive English-Mandarin bilingual programme for Nursery to Year 2 (ages 3-6), expanding to higher year levels in the coming years, allowing students to continue their studies in the bilingual programme throughout junior school.

Japanese mother tongue programme is chargeable from Year 1 onwards for an additional fee of \$1000/semester (excluding GST).

OUTDOOR LEARNING

LEARNING BEYOND THE CLASSROOM

Our Pelican Programme integrates outdoor education as a key component of the curriculum, offering young learners a rich variety of experiences in natural surroundings that complement their academic, social and physical development.

Learning Through Exploration

Whether it's exploring our **rainforest**, picking up vegetables and fruit from our **spice and herb garden**, or enjoying outdoor play in our **playground** and **water play area**, every outdoor activity is designed to encourage hands-on learning, creativity, and problem-solving.

Building Confidence and Independence

Through engagement with nature, children gain confidence as they take on new challenges and responsibilities. Exploration in an outdoor setting help children develop their physical coordination, resilience, and independence.

Sustainability and Environmental Awareness

From caring for the garden to learning about the importance of nature, our outdoor education helps young children develop a deep connection with the environment. Designed not only for play but to instill a sense of responsibility for the world around them.

By balancing academic learning with hands-on outdoor experiences, we prepare children for a lifetime of curiosity, creativity, and academic success.

Why choose the Pelican Preschool?

1. A diverse student body

2. Cambridge International Curriculum that fosters a love for learning.

3. 400 Years of educational excellence - pioneers in play-based learning

4. Experiential and outdoor learning that enriches academic growth.

5. Multilingual Approach Mandarin and Japanese

6. Nutritious lunch options that support healthy eating.

7. Flexible care options available.

- Half-day and full-day options available (half day option is for Nursery only).

- 3-day, 4-day, or 5-day options are available for Nursery.

8. Building confidence with Pelican Parliament – a student leadership initiative.

9. Building social skills with our Pelican Learning Friends.
